

INSTANT TICKET LOTTERY MACHINE PROGRAM OVERVIEW

The Maryland Lottery and Gaming Control Agency is pleased to introduce a high earning gaming product especially designed to benefit Maryland Veterans' organizations.

The instant ticket lottery machine (ITLM) is a modern gaming vending machine with spinning video reel animation that brings fun and excitement to your members. Currently, over 50 Veterans' posts in Maryland have ITLMs installed in their locations.

HOW THE PROGRAM BENEFITS YOUR ORGANIZATION

- ◆ No up-front product costs
- ◆ 50% of net revenue from machines goes to Veterans' organizations
- ◆ Service and content updates included

ITLM DETAILS

- ◆ Attention-getting animations that feature spinning reels
- ◆ Multi-bet options
- ◆ Ticket-in/Ticket-out functionality
- ◆ Stereo sound and dual LCD monitors
- ◆ Progressive feature that can build large jackpots
- ◆ Large variety of available game themes
- ◆ Simple to play, easy to operate

There's so much more to *earn*.
