RENOVATION PACKAGE PRIZE DETAILS:

This Renovation Package includes:

- Kitchen Appliance Bundle – Stainless Steel:
 - Kenmore Elite® 22.1 cu. ft. Bottom-Freezer Refrigerator (“Refrigerator”) – This ENERGY STAR® rated Refrigerator offers customizable storage options such as the Tilt-N-Store® flip-up door bin, split adjustable shelves, pull-out freezer drawers and enough door bin space for up to 21 12-oz. cans.
 - Kenmore® Self Clean Smooth-Top Convection Range (“Range”) – This Range accommodates multiple dishes at once, and the racks can be easily reconfigured. Using a fan and a hidden third element, the 5.7 cu. ft. true convection oven cooks and browns more evenly.
 - Kenmore 24” 1.7 cu. ft. Built-In Dishwasher (“Dishwasher”) – This Dishwasher features 360° PowerWash® technology, which provides a spray arm that delivers a far-reaching spiral pattern throughout the Dishwasher giving it the ability to clean hard to reach areas.
 - Kenmore Over-the Range Microwave – Quick Touch buttons pre-set to perfectly heat different types of food, 10 power level settings.
- Kenmore Top Load HE Washer (“Washer”) & Electric Dryer (“Dryer”) Pair-Gray :
 - The 5.3 cu. ft. top-load Washer features an exclusive triple-action impeller that provides advanced motion for advanced performance. The impeller’s improved design cleans with three wash actions: nine spray jets, wash basket action and impeller action.
 - The 8.8 cu. ft. Dryer features SmartDry® Ultra technology. This four-point sensing system includes two moisture sensors that automatically adjust cycle time, as well as one temperature monitor.
- KitchenAid® Professional 600™ Series 6-Quart Bowl-Lift Stand Mixer (“Mixer”) – This Mixer features a burnished metal flat beater, PowerKnead™ Spiral dough hook and a 6-wire whisk for mixing, kneading and whipping ingredients quickly and easily.
- Cuisinart® Custom Classic™ Toaster Oven Broiler (“Toaster Oven”) – This Toaster Oven is large enough and smart enough to present a full range of menu options. It is user friendly with large rubberized easy grip function, temperature and toast shades dials, auto safety shutoff for all functions, an oven-on indicator light and an easy access oven rack for hands free loading and easy removal of cooked foods.

- Cuisinart® Brew Central™ 12 Cup Programmable Coffeemaker (“Coffeemaker”) – This Coffeemaker has a brushed metal exterior with retro-style controls, and includes a charcoal water filter. It also features a programmable digital clock with a 24-hour advanced-brew setting, an automatic shutoff, a self-cleaning function and an audible beep that signals the end of the brew cycle.
- Dyson® Ball™ multi Floor Upright Vacuum (“Vacuum”) – This Vacuum features strong suction using Radial Root Cyclone™ technology and a reconfigured brush bar to remove more dirt and dust from the home. The self-adjusting cleaner head seals in suction across carpets and hard floors. The latest Ball technology allows easy steering into difficult places.
- Cuisinart® Stainless Steel Programmable Slow Cooker (“Slow Cooker”) – This 3.5 quart Slow Cooker features a 24-hour LCD countdown timer, touchpad control panel and four cooking modes including a warming function when the time elapses.
