

MARYLAND LOTTERY SUBSCRIPTIONS FAQ

What are Maryland Lottery subscriptions?

Subscriptions allow Maryland residents to play the same numbers in each drawing for up to 52 weeks. (You must have a Maryland mailing address to purchase a subscription.) You can print out a subscription application at home, and then mail it in to the Lottery for processing.

What games are available by subscription?

Cash4Life (drawings each Monday and Thursday)
Multi-Match (drawings each Monday and Thursday)
Mega Millions (drawings each Tuesday and Friday)
Powerball (drawings each Wednesday and Saturday)

What are the subscription plan options? What do they cost?

Subscriptions for each game can be purchased for 26 drawings (13 weeks), 52 drawings (26 weeks) or 104 drawings (52 weeks). Prices start at \$2 per drawing and vary, based on the options you choose. More information is available on the [Subscriptions page](#).

How do I purchase a subscription?

All subscription orders must be placed through the Maryland Lottery's [My Lottery Rewards](#) (MLR) program. MLR is a free player-loyalty program that can be accessed on internet-connected computers and on Android and Apple mobile devices. If you do not already have an MLR account, you must first visit the site and [create one](#) in order to purchase a subscription.

After signing in to your account, click on the Subscriptions tab, select your game, numbers and options like Power Play or Megaplier, and fill in the subscription form.

Next, print out your completed form and mail it along with your payment to:

Maryland Lottery Subscriptions
1800 Washington Boulevard, Suite 330
Baltimore, MD 21230

When will my subscription be activated?

You will receive an email notifying you when your subscription has been activated. The notification will be sent to the email address that you used when you created your MLR account. The subscription form that you send to us with your payment has a barcode that we will scan to create your subscription. Your subscription will be active when we scan the barcode.

When I purchase a subscription through My Lottery Rewards, will I receive a subscription card by U.S. Mail?

No. All correspondence regarding the subscriptions you purchase through My Lottery Rewards will be done via email. You will receive an email that will include your numbers, rather than a physical subscription card.

How do I renew/extend my subscription?

To renew or extend your subscription, log in to your MLR account and go to the Subscriptions menu. Select the Extend Subscription menu item. Locate the subscription you wish to extend. Click the Extend dropdown to select the number of draws you wish to add. Confirm your selection, print the purchase form and mail it to the address on the form along with your payment.

What happens when my subscription is about to expire?

You will receive up to two email notifications before your subscription expires, prompting you to extend your subscription. The first will be sent when you have 12 draws remaining. If you have not extended your subscription by the time you reach four draws remaining, you will receive another email notification of your expiration date.

How do I track my prizes?

Sign in to your MLR account and go to the Subscriptions menu in order to view your current subscriptions. Low-tier prize amounts will be displayed in the "Wins Account" section. The "My Results" page will display your prize amounts from all drawings.

How and when will I receive prize payouts from my subscription?

When the prizes in your Wins Account reach or exceed \$100, the Lottery will send a check for the full amount to you via U.S. Mail at the address you used when you registered for your MLR account. Checks will typically be printed one business day after your Wins Account reaches the \$100 amount.

What happens when I win a large amount, or a jackpot?

When you win any prize amount larger than \$600, the Lottery will notify you by email and will provide instructions on how to claim your prize. You will need to provide a photo ID and a separate form of identification that shows your Social Security Number/Taxpayer ID Number. Information on the accepted forms of identification is available on the [How To Claim page](#) of our website. Call 410-230-8730 or send an email to ask.lotteryandgaming@maryland.gov with any questions regarding the claims process.

Can I use the money in my Wins Account to pay for additional subscriptions or to buy items in the MLR website's Points For Prizes store?

No. Prize money that you win through your subscription can only be paid to you in a check.

Will I receive Rewards points when I purchase a subscription?

No. You can receive Rewards points by entering all draw game tickets and all non-winning scratch-off tickets into your account.

If I'm not interested in being a Rewards member, do I still have to purchase my subscription through the Rewards website?

Yes. Using the Rewards website will make managing your subscriptions and tracking your prizes more efficient, both for you and for the Lottery. However, you are not required to participate in any other aspects of the Rewards program.

I don't have a My Lottery Rewards account, but I already have a subscription. Is that subscription still active?

Yes. Your existing subscription will remain active for its full duration. Prior to the end of your subscription you will receive a letter from the Lottery, prompting you to create a My Lottery Rewards account in order to purchase a new subscription. That mailing will include detailed instructions on how to sign up for a Rewards account. If you have any questions, call our Customer Resource Center at 410-230-8730 or contact us by email at ask.lotteryandgaming@maryland.gov.

I'm having trouble registering for a Rewards account or using the Rewards website. How can I get help?

Call the Rewards Player Services line at 1-800-201-0108, or contact Player Services in writing by using [the help form on the Rewards website](#).
