- d. The Code expires on the last day to claim that scratch-off Ticket, which is 182 days after the announced end of game. For a game that has been announced as ending, the last date to claim a winning ticket for that game can be found at [mdlottery.com](http://mdlottery.com) under the Games tab in Scratch-Offs. C. Group Play (These rules apply to all Subscriptions):

1. To make a Subscription purchase for a Group (a collection of persons who wish to purchase a Subscription together, with at least 2 members), the Group Manager, the individual responsible for the Group, must list the name (first and last), address, telephone number, and email address of each member of the Group and certify that this information is correct and accurate.
2. The Group Manager must certify that each Group member is 18 years of age or older, is eligible to legally purchase Lottery tickets, and that all members of the Group are properly listed and are accurately identified.

The Group Manager will indemnify, defend and hold harmless the Lottery, its directors, officers, employees, retail agents, vendors and the State of Maryland and its officials and employees from and against all demands, proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses, including reasonable attorney's fees, arising out of or relating directly or indirectly, to any claim alleging an inaccurate, unauthorized or incomplete certification by the Group Manager regarding Group membership.

3. Once a Group purchase has been made, the Group Manager may not add, delete or otherwise change the members of the Group.
4. The sole responsibility for disbursing to Group members any prize \$600 or less won by the Group belongs to the Group Manager. The Lottery and its employees, designees, agents, vendors, and contractors have no responsibility or liability whatsoever with respect to the disbursement of any prize that is \$600 or less.
5. The Lottery will distribute Group prizes above \$600. In order for Group members to receive prizes of above \$600, the Group Manager and each Group member must comply with the Lottery's claims process (See below at X. Subscriptions, D. Prizes): Each Group member will be notified by the Lottery (using such Group member's information listed and certified by the Group Manager) of any prize of \$600 or more won by the Group. In order to claim his or her portion of any prize of \$600 or more, even if each Group member wins less than the \$600 amount, each Group member must submit, by mail or in person (or in any other manner specified in writing by the Lottery), to the Lottery documentation establishing such Group member's identity and eligibility (See below at X. Subscriptions, D. Prizes), and the Group member will be required to complete a claim form. In order to claim his or her portion of any prize of \$25,000 or more, each Group member must report to the Maryland Lottery Headquarters, where the Group member will be required to present to the Lottery documentation establishing such Group member's identity and eligibility (See below at X. Subscriptions, D. Prizes), and the Group member will be required to complete a claim form.
6. All members of the Group must be eligible to purchase Lottery tickets, regardless of the prize amount won by the Group. Any member of the Group who is not eligible to purchase Lottery tickets will forfeit the right to any prize won by the Group, and the ineligible Group member's portion of such prize will be treated by the Lottery as an unclaimed prize and placed into the unclaimed prize fund. In the case of a Group prize greater than \$600, the Lottery will divide the total amount of the prize winnings equally among the total number of Group members (including any ineligible Group members) to determine the prize amount won by each eligible Group member, but such prize amount will be forfeited by each ineligible Group member. Eligible Group members do not have a right to claim any portion of any ineligible Group member's forfeited portion of the prize.

D. Prizes (these rules apply to all Subscriptions):

1. Subscription prize amounts won that are \$600 or less will be displayed in the wallet section ("Wallet") under the Subscriptions tab.
2. When Subscription prizes in your Wallet reach or exceed \$100 [see below for prizes higher than \$600], a check for the full amount in your Wallet will be mailed to you at the mailing address on record (If a Group wins the prize, the prize will be mailed to the Group Manager's mailing address on record. You agree that if the Group wins but the Group Manager has died, and the Lottery is advised of the Group Manager's death, the Lottery may change the name on the check in the Lottery's sole discretion to a name as determined by the Lottery and that person will take on all obligations of the Group Manager.) Checks will typically be printed within three (3) business days after the \$100 amount is met.
3. When you win any Subscription prize greater than \$600, the Lottery will notify you by email (at the email address associated with your MLR Account) and provide instructions on how to claim your prize. You must

complete a Lottery Claim Form, including Social Security number (SSN) [if a group member other than a Group Manager: or Taxpayer ID number (TIN)], and must provide proof of your SSN or TIN and must furnish photo I.D. proof of being at least 18 years of age. Information about the accepted forms of identification is available on the [How to Claim](#) page located under the Winners tab at mdlottery.com. You may also call 410-230-8730 or email [ask.lotteryandgaming@maryland.gov](mailto:ask.lotteryandgaming@maryland.gov) for information on the claiming process. Please allow at least 30 calendar days for processing from the date the Lottery receives proof of your SSN (or TIN) and photo ID proof of your being at least 18 years of age.

4. **NOTICE:** When the Maryland Lottery processes a claim, it asks the person seeking to claim the Lottery prize for certain information. Disclosure of a Social Security Number (SSN) or Individual Tax Identification Number (ITIN) or other TIN to claim a Maryland Lottery prize is generally voluntary, but failure to provide it may delay or prevent the processing and payment of the claim. For prize claims over \$600, the Social Security Code, the Internal Revenue Code, and the Maryland Tax General Article authorize and require the Lottery to have the claimant furnish his, her, or its SSN, ITIN, or other TIN for tax reporting purposes. In addition, for prize claims over \$5,000, these statutes require the Lottery to withhold federal and state taxes related to these winnings.
  - a. The Lottery also collects SSNs, ITINs and other TINs in order to comply with State Laws related to the interception of certain prize winnings for unpaid child support and/or certain other obligations owed to a State agency or other government entity, as well as to validate and process claims pursuant to the Maryland State Lottery Law and the Lottery's rules and regulations.
  - b. A person who gives the Lottery personal information has the right to inspect, amend, or correct this personal information, which is not generally available for public inspection without the person's written consent. The Lottery does not transfer personal information or make it available to any other entity, except to certain contractors working with the Lottery who may need the information to perform their services to the Lottery; as required by law to various federal and state government agencies; and, for enforcement of criminal laws, to law enforcement agencies.
