**One Day Only!**  
**Over 15,000 Winners!**  
**\$50 and \$500 Instant Cash!**  
**Total extra instant cash of \$1,000,000!**

Get ready. As part of the 50th Anniversary celebration, the Maryland Lottery will have a special one-day-only promotion on May 24th. On an nth ticket basis across the state, a player could win \$50 or \$500 when they play any terminal game. Players will be alerted to the instant win with a message on the game ticket purchased.

Why May 24th? It's the date that the first Maryland Lottery drawing was held at Hopkins Plaza in Baltimore, marking the official date of our 50th anniversary. The perfect day to thank players.

The Lottery is promoting this one-day event with radio ads, station mentions, heavy rotation on the in-store LIM monitor, and on mdlottery.com, sure to excite players and increase sales at your store.
